Dismantling Guide

Hybrid Vehicle Dismantling Guide

Get a copy of the first edition of the Hybrid Vehicle Dismantling Guide!

This Guide includes an overview chapter and specific section modules for the Prius and Honda hybrids. Each section of the guide is organized into topics on vehicle identification components and locations, description and operation of specific hybrid parts, safety measures, and removal procedures.

The Guide is available to automotive recyclers in either book form or on CD for the price of \$99. Contact Betsy Beckwith to order your copy today!
